Friends,

Please find attached an itinerary the second week of travel for scoping meetings, which will involve days trips based out of Bethel. Moxie Alexie has talked several times with tribal leaders in Quinhagak, Kipnuk, Nunapitchuk, and Akiak. They have recommended mid-day meetings. We had secured the meeting venues for the meeting times noted.

9/13/2018

This itinerary provides information about flights and lodging, so that you can make reservations accordingly.

Please call or e-mail with any questions.

To provide broad notice of the beginning of scoping, Newsletter No. 1 was mailed out last week, and has already been received in some of the villages. It is also available on the project website, DonlinGoldEIS.com, on the Newsletters page.

Thanks.
